Bonus Policy

This Bonus Policy is an integral part of the Terms and Conditions of Use and thus come into effect with the Terms and Conditions of Use. Any general terms of the Terms and Conditions of Use shall apply to the Bonus Policy, except where explicitly excluded.

General Terms

1. If, at any point in time after reading this policy something is not clear, or you would like to be blocked from receiving our bonuses please contact our Customer Support Department team before you commence play.
2. You will only use your Bonus Balance after first using any Real Balance you have.
3. If you use your Bonus Balance and your bet generates a win, the winning will be added to your bonus balance (unless the bet completes all your wagering requirements in which case, except if the bonus is non-Cashable, the entire remaining bonus balance will be transferred to your real balance).
4. If you make a bet with both Real Money and Bonus Money, any win will be added to your bonus balance.
5. Any bonus or free spins which you are credited (credited directly to your account or via a prize giving mechanism for example Prize Twister) to your account shall be subjected to this Bonus Policy.
6. If the bonus/free spins you were trying to claim do not appear automatically in your player's account, please contact our Customer Support team, prior to placing any bets, and the bonus/free spins shall be credited for you.
7. Unless stated otherwise in the promotion offer bonuses are only available to players who made at least one successful deposit in their accounts.
8. Any winnings accrued playing Free Spins offers will be added to your account as a Bonus.
9. Having an active bonus does not prevent you from withdrawing, however you will have to choose to cancel your entire bonus balance (this includes any winnings you accrued while bonus was active) should you wish to withdraw. If you reverse a withdrawal, bonus cancelled due to your withdrawal request will not be re-added. You may cancel your bonus at any time by contacting customer support.
10. In the rare event that the bonus needs to be re-added after it is cancelled (per company sole discretion), it will be added back with the full wagering conditions regardless of the number of wagering made.
11. If the game advertised in a Free Spins promotion is not available or becomes unavailable for the jurisdiction, or there is a misconfiguration in the advertising which states the wrong game, the Free Spins will be added on a different eligible game. In such situations the number of Free Spins and the value per Free Spin will be the same or equivalent.
12. In the event that a technical misconfiguration, human error or failure of any kind results in the incorrect number or value of free spins or an incorrect Bonus being added to your account, we reserve the right to correct this by removing any winnings received and re-adding the reward with the correct configuration.
13. Any attempt to register multiple accounts to gain bonus money will be deemed as bonus abuse and will result in the account(s) being suspended and the removal of your funds.
14. Individual promotions may have additional terms and conditions which will override or contribute to the terms and conditions here stated. Please carefully check all terms and conditions associated with an offer before taking part. Should the terms and conditions of the individual promotions conflict with the Bonus Policy, the individual promotions terms shall apply.
15. Regardless of the currency that we advertise or display bonus amounts, the bonus will always be credited according to the currency your account is configured to.
16. In accordance with the privacy policy, we regularly send promotional emails with bonus offers. You are only eligible for the bonus if you received the email directly from us. You may unsubscribe from

receiving promotions by contacting customer support. If We determine that a specific customer did not receive that particular promotion as an intended exclusive targeted recipient that this promotion was sent out to, we will not honour any payout requests from the customer, even if they have met the wagering criteria.

17. We reserve the right to cancel promotions or bonus offers, of any kind at any time, without prior notice. Any such cancellation will not affect an award already redeemed.
18. All offers you see in your Daily Picks are available to you because of the current state of your account. Offers can become unavailable before the time has expired due to changes within the account caused by transactions made.
19. Unless otherwise specified, the minimum deposit to qualify for any deposit bonus is €20 or the equivalent value in any other currency.
20. Unless stated otherwise if the last bonus received by a player was a bonus which was not associated with any deposit, a deposit needs to be made first before the player is eligible to use any further bonuses, even if it was marketed to the player. Any breach of this term can result in blocking from future bonuses and/or removing any winnings that might have been the result of the use of any non-Deposit
21. If you receive a non-Deposit bonus (general no deposit bonus/refer a friend bonus/registration bonus etc') or free spins with no deposit, unless stated otherwise, the maximum amount that you can win or withdraw from it is €100 or two times the bonus amount. The larger amount of the two will be applied. Any winnings greater than the applied amount, including winnings subsequently won from with that money even after any deposit, will be removed from your account.
22. A bonus (including the bonus funds credited from Free spins bonus) is also considered as a non-Deposit bonus if your real money balance at the time you were credited the bonus is lower than your most recent deposit.
23. Free spins are spins which take place that do not reduce funds from your bankroll. For the avoidance of doubt, any mention of Free spins in this bonus policy refers to spins that do not reduce money from your bankroll, regardless of what those free spins are marketed as. This does not include free spins which are a triggered feature within a game.
24. If you receive a Claimable Bonus/Free Spins in conjunction with a deposit offer or purchase Free Spins using your Real Money balance, you must claim the Bonus or play with the Free Spins before playing with your available funds (Real Money and Bonus Balance alike). Failure to comply with this may result in any winnings being removed.
25. Players are allowed to play in any game while having an active bonus. In certain games bonus balance funds are not available to play with and when you open those games you will only see your real balance. To check for the bonus availability, please refer to the information card for each game in the casino platform.
26. A Pending Bonus is a bonus which will be available for use only after any wagering has been completed. You will see this bonus in your Pending Bonus balance.
27. A non-cashable bonus is a bonus which, once wagering is completed or the bonus is consumed, will not be added to your real balance regardless of whether there was any bonus amount left when it was consumed. Once the wagering is completed/bonus is consumed, any amount left will be removed from your bonus balance.
28. If you receive a bonus and/or free spins and have not engaged in any real money activity, you must make a deposit and place bets with your real money to be eligible to withdraw any winnings.
29. Should you attempt to withdraw winnings from a free bonus or free spins without subsequently commencing gameplay activity, all such winnings will be forfeited. Additionally, a withdrawal fee, as outlined in Clause 8.6 of our Terms and Conditions, will be charged.
30. Bonuses, free spins or Golden Chips which are not subject to wagering requirements are subject to 'Irregular Play' monitoring as described in clauses 30 and 31.
31. If you receive a bonus, free spins and/or Golden Chips, you must have made a prior deposit and risked your own money to be eligible to withdraw funds related to the bonus/free spins/Golden Chips.
32. Should you attempt to withdraw following receiving a bonus, free spins or Golden Chips, without risking the deposit made to receive the bonus/free spins/Golden Chips, the bonus you received will be forfeited.

Wagering Requirements

33. While making bets to wager any deposit bonus/offer (free or deposit) or bonus credited for free spin winnings, the maximum bet permitted is 10% (min 0.10) of the original/credited bonus amount or 5 (eg, 5 EUR, 5 GBP, 500 INR (the lower amount applies). Failure to comply with this rule means you are in breach of the deposit bonus/offer terms and We reserve the right to void and remove any winnings. A bet includes any special bet feature, any gamble function or any other type of wagering activity (regardless of its name).
34. Notwithstanding clause 40, unless stated otherwise in the promotion offer, Bonuses (including winnings from Free Spins) given with a deposit offer carry a wagering requirement of thirty (30) times the total amount, e.g. If you deposit €10 and obtain a €10 bonus, you would have to wager 30 times the aggregate amount, in this case being €20 (deposit + bonus). If a Bonus (including winnings from Free Spins) is not awarded as a part of a deposit offer Or if the total bonus amount (from bonuses and Free Spins winnings) is greater than the deposit amount made to claim the offer, the offer will carry a wagering requirement of sixty (60) times on the bonus amount only.
35. We have 3 different types of wagering that we apply to our bonuses. Unless otherwise stated the bonus has standard wagering terms. Games that are included within the below wagering groups count towards the wagering requirements of a bonus:

    1. **Standard wagering**: bets placed in any game except Slots and Scratch games do not count towards the wagering requirements.
    2. **Mixed wagering:** 10% of bets placed in non-Slots or Scratch games count towards your wagering requirements.
    3. **Special Mixed wagering**: 50% of bets placed in non-Slots and Scratch games count towards your wagering requirements. Special Mixed wagering is only available on special occasions and to players of certain statuses.
    4. For all wagering groups, bets placed on Crash games count as 20% towards the wagering requirements.
36. When the bonus is added to your account the amount of wagering required is converted to bonus redeem points. Unless the game you are playing is a game referred to in clause 40 or subject to clause 24, the table below shows how much a player must wager in each currency to earn bonus points.

37. Bonus wagering requirements are displayed as Points to Redeem in the Bonus page in the Personal Area.
38. Wagering only counts for one bonus at a time according to the following rules:

    1. If there are bonuses restricted to a specific game or games, wagering will contribute to these bonuses first if that specific game is played.

2. If multiple bonuses are active with different wagering conditions, the wagering will be applied to the bonus with the largest amount first.
3. If there are two active bonuses with identical conditions, wagering will contribute to the bonus with the largest amount first.
4. Please note that you will always first wager your real money funds and only when they are fully wagered, you will then start wagering your Bonus Balance.
5. Payouts will only be applied to the largest bonus that has been used. This includes instances where a bet has been placed using the highest bonus balance or if the largest bonus has already accrued redeem points.

39. If a bonus has not been used (turnover requirement met or lost) within 30 days, the bonus amount will be cancelled and removed from your account unless you have a real money balance.
40. Unless otherwise stated you have up to 24 hours to meet the wagering requirements for non-deposit Bonuses/Free Spins before the bonus and any winnings are removed.
41. In the case that bonus money is wagered and lost, but not all wager requirements were met, providing you don't have any open games, the next deposit made to your account will automatically reset the bonus as Consumed and it will not be necessary to complete the remaining wager requirements. If you want to continue your game session and make sure that your bonus gets Consumed, please contact support after your deposit. Any abuse of this in order to avoid completing bonus wagering will result in all winnings being removed, and your deposit potentially being confiscated.
42. If you have a bonus consumed/cancelled/expired, either by the system or due to your own request, and the wagering was not completed, all your winnings will be removed including any pending/unclaimed winnings from games/promotions you played whilst you had the bonus.
